RE: Ballpark North of Highway 90 in Des Allemands

Dear Mr. Marino:

I have not seen any movement on the proposed ballpark north of Highway 90 in Des Allemands that the Parish proposes on J.B. Green Road. I would like to know if you could please find out where things stand at this time regarding the purchase of the site. That is, the steps which need to occur for the purchase to be done and the expected time frame associated with each step.

The last thing I think I was told several months ago was that the property needed to be subdivided. If that is the case, could you please see what is the hold up on its resubdivision.

The community has been without a place for the children to play for some time now. Summer will soon be here once again.

Sincerely,

Paul J. Hogan, P.E.
