PRIME TIME

SENIORS

**INTRODUCING A NEW AND IMPROVED
PROGRAM FOR ST. CHARLES PARISH
RESIDENTS AGES 55 AND UP!**

Prime Time Seniors will replace the Retired Senior and Volunteer Program starting in January 2025, and we are expanding our activities and offerings to reach more seniors in our community.

DON'T WORRY! YOUR FAVORITE ACTIVITIES ARE GOING PRIME TIME TOO!

Activities like Bean Bag Baseball, Senior Bowling, and Day Trips will still be available, and there will be plenty of opportunities to get involved and volunteer.

Prime Time Seniors is a new branch of the St. Charles Department of Parks and Recreation that will help residents ages 55 and up enrich their lives through recreation, education, and socialization.

Some of the programming we will focus on includes:

- **Health & Wellness**
- **Social & Recreational Activities**
- **Education & Lifelong Learning**
- **Volunteer Opportunities**
- **Cultural & Artistic Activities**
- **Support & Social Groups**
- **Technology & Innovation**
- **Gardening & Outdoor Activities**

Please **SCAN THE QR CODE** or visit **[SCPPARKSANDREC.COM/SENIORSURVEY](https://scpparksandrec.com/seniorsurvey)** to complete the online form and let us know what you want to see from Prime Time Seniors!
