Council Secretary
St. Charles Parish Council
Post Office Box 132
Hahnville, LA 70057

Dear Ms. Jacob-Tucker:

This is in reference to your letters dated February 28, 2008 and three St. Charles Parish Council Resolutions numbers 5516, 5518, and 5519 concerning proposed traffic signals at the intersections of Hwy 90 & LA 632 (WPA Road), Airline Drive (US 61) & St. Rose Avenue (LA 626) and Airline Drive (US 61) and Evangeline Road.

→ Under a previous study completed by a Consultant and DOTD, it was determined that there is no justification for a signal at Hwy 90 & LA 632 or US 61 & Evangeline Road. We are aware of no significant change in traffic patterns at these locations that would change this determination. Our traffic engineer, Mr. Steven Strength, is in the process of restudying the location of Airline Drive & St. Rose Avenue to determine if a signal is warranted at this location. We will let you know of our findings upon the study's completion.

If we can be of any further assistance, please do not hesitate to contact this office.

Sincerely,

MICHAEL J. STACK, P.E., P.L.S.
