Dear Resident:

I have been approached by several residents to propose an ordinance to reduce the speed limit from 25 miles per hour to 15 miles per hour on River Oaks Drive, in Destrehan.

This proposed ordinance will affect many residents in the area; therefore, prior to presenting the proposed ordinance to the Parish Council for consideration, I am seeking feedback from the property owners/residents of this street to determine the majority opinion of the residents as it pertains to this matter.

Your response is very important; therefore, please indicate whether you are IN favor of or NOT in favor of reducing the speed limit in addition to completing the requested contact information on the portion provided below.

Please check one of the following statements and return the completed questionnaire to the Council Secretary via email to mimpastato@stcharlesgov.net no later than August 25, 2020
