Good morning, CSFI stakeholders,

Following up on last week's email, the Coalition for Sustainable Flood Insurance will submit a letter to FEMA with our recommendations for actions to take ahead of Risk Rating 2.0 implementation. Thanks to those of you who provided input and who have already signed on to the letter.

To view the letter, please [click here](#). Please let me know by **Wednesday, December 22** if you would like to add your organization to the letter.

Thank you,
Ileana
