

Planning & Zoning Com.

My name is James P. Galliano
and I live at 154 Thoroughbred Ave
in Dixie Land Sub.

I am writing this letter
to inform the Planning & Z. Com.
about opening the St known as
a drive in my subdivision.

I built my house in 1982 because
there was only one way in or one
way out of Dixie Land sub. This
might not mean much to P & Z Com.,
but to me & my family it means a safer
environment and better place to live.

People who commit crimes do
not like to burglarize or rob places
that only have one ^{way} "escape route".

Years ago Johnny Marino was
sheriff and we started neighborhood
watch, which I believe helps a lot.

I personally believe one way in
& out & neighborhood watch helps to prevent
crime in this sub.

So; for all our safety & life style
of living & hi traffic. I do not want
any st or anything that would
cause us to have another way in &
out of our sub.

Concerned James P.
Galliano
