October 9, 2021 Election
Parish of St. Charles
Parishwide Proposition
(Mosquito Abatement Renewal)

Shall the Parish of St. Charles, State of Louisiana (the "Parish"), continue to levy a one and six hundredths (1.06) mills tax on all property subject to taxation in said Parish (an estimated \$1,800,000 reasonably expected at this time to be collected from the levy of the tax for an entire year), for a period of ten (10) years, beginning with the year 2022 and ending with the year 2031, for the purpose of abatement, control, eradication and study of mosquitos and other arthropods of public health importance and all activities incidental thereto?
