Mr. Gibbs: That passes unanimously. Next item is PZO-2014-08 requested by Councilman Paul Hogan, District IV for an ordinance to amend the Code of Ordinances Appendix A, Section XIV. Amendments and Petitions and Appendix A., Section XV. Amendment procedure, to modify the reporting and recommendation requirements of the Planning Commission. Mr. Hogan.

Good Evening Commissioners. I'm not really sure why, I don't remember why you decided to table it, but all this does is the Commission makes a recommendation that's different than Planning & Zoning Department's recommendation that somebody on the Commission would need to state the reason for the record as to why the decision was made. When that recommendation comes to the Council we can look at it and see what yall knew that the Department didn't in helping us make a decision. Or if somebody comes and addresses yall and make a case as to why it should be denied and yall make a decision opposite of what the Department recommends and we can take what the person says as being the reason and yall don't have to say anything. We know what you based your decision on. Yall have any questions?

Mr. Gibbs: Any questions? Thank you Mr. Hogan. This is a public hearing for PZO-2014-08 anyone in the audience care to speak in favor or against? Seeing none. Cast your vote please.
