RE: West Labranche Shoreline Protection, PO-42

Dear Earl:

Moffatt and Nichol reviewed the bids for the West Labranche Shoreline Protection Project, PO-42. The engineers estimate was compared with the low bid (\$2,777,100) submitted by Bertucci Contracting Company, LLC, Louisiana Contractor License Number 27905. Attached is a table which shows the engineers estimate and the bid submitted by Bertucci Contracting Company, LLC. You will note Bertucci's bid is only 5% higher than the engineers estimate. The unit prices submitted are inline and balanced. The total amount allocated for this project for construction including contingency is \$3,100,000.

Based on our review of the low bid we are recommending the project be awarded to Bertucci Contracting Company, LLC.

Please call if you have any questions.

Sincerely,

MOFFATT & NICHOL

L. Chris Williams
