

Attention: Mrs. Kim Marousak

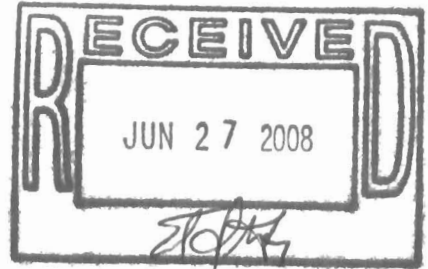

We the undersigned residents and property owners of Amelia, Allen and Griffin streets in Ama are requesting that Planning & Zoning change the zoning from R1AM (Single Family Detached, Allow Mobile Homes) to R1A (Single Family Homes). The proportion of trailers to homes is very small on these street.

After reviewing the Ama Land Use & Zoning Study Map, it appears the streets zoned for R1AM and R1M include predominantly African American residents and landowners. We want to stop this trend. We want to improve our community and increase our property value.

All residents and landowners of this petition advocate this change in the zoning for our community.

Your attention to this matter is greatly appreciated.
