RE: Rickey Bosco – St. Charles Hospital Board

It is the opinion of this office that Mr. Bosco may serve as a commissioner for the St. Charles Hospital Board and still do business with St. Charles Parish. He cannot however, enter into any contracts with the hospital.

LSA-R.S.42:1113A(1)(a) provides as follows:

No public servant, excluding any legislator and any appointed member of any board or commission and any member of a governing authority of a parish with a population of ten thousand or less, or member of such a public servant's immediate family, or legal entity in which he has a controlling interest shall bid on or enter into any contract, subcontract, or other transaction that is under the supervision or jurisdiction of the agency of such public servant.

This article means that the agency of such public servant is the hospital and not St. Charles Parish so no prohibition exists.
