Mr. Bragdon,

The proposed resubdivision on Apple Street for the Good Hope Street Norco, LLC property will result in a lot (2-E) which does not meet the required width and area for the zoning district.

As a result, waivers to those requirements must be requested as part of the application.

The request must be in writing, and can be sent as a reply to this email.

Let me know if you have any questions.

Thank you,
