Johnny:
Sorry to hear that you are leaving the board.
Please submit your letter of resignation to
the Council Secretary, Michelle Impastato so
that she can officially get things started for your replacement by the Firemen's Association.

Thanks

Sam

Gentlemen,

It's has.been a privilege to serve on the 911 committee but after much thought this weekend and after talking with my wife, I have decided to resign from my position on the committee. There are several other commitments that I need to focus on right now. I am going to miss working with you but my position as a commissioner can not be met at this time due to other priorities.

Thank you again for your trust in this position,

Respectfully,

Johnny Bourgeois
