Our Baton Rouge - Glenstone office also offers video inspection, sewer and storm pipe cleaning, wet well vac-outs, and sanitary sewer evaluation surveys (SSEs) through our Atakapa Services division. Costs will be furnished upon request on a project-by-project basis.

Our company also supplies certified Wastewater and Water Operators for wastewater/water systems and plants. Costs can be furnished upon request since pricing is specific to location and project duration.

Our Baton Rouge – Airline office offers surveying, ROW, and mapping services. Costs for such work can be furnished upon request based on the scope of services.

Reimbursable Expenses:

Reimbursable expenses shall be at the actual expense + 10%.

Per Diem:

When travel time exceeds one and one-half (1.5) hours per day each way, then such travel will be classified as an out-of-town project and per diem will be charged at the current GSA per person, excluding any areas recently impacted by a natural disaster.

Travel Time:

The time required to travel to and from a project site shall be billed to the normal hourly rates.

Mileage:

Any mileage associated with travel related to a project will be billed according to the most up-to-date standard allowable IRS rate.

WEI reserves the right to adjust the hourly rates and reimbursable cost schedules after December 31, 2025.
