**LOUISIANA LITTER ABATEMENT GRANT PROGRAM
GRANT APPLICATION FORM**

(additional pages may be used or basic format may be transferred to computer)

1. PROJECT DESCRIPTION: (Please provide a complete and clear description of your implementation plan, program goals and objectives, budget and timeline.)

A. DESCRIPTION OF PROGRAM:

St. Charles Parish plans to hire a Litter Abatement Coordinator who
will be responsible for establishing an educational program notifying
the public about the Illegality of littering, the harm it does to the
envornment, the cost which is relegated to the parish government and
the harm it does to the tourist industry in the parish.

B. IMPLEMENTATION PLAN:

We will seek for partners who will assist us in this task of educating
the public; the school board, civic associations and the Sheriff
Department will be ask to join with us in carrying out this program.
At least two parishwide meetings will be held to highlight our program.

C. PROGRAM GOALS AND OBJECTIVES:

Our objective is to have a person who will direct the efforts of
the litter abatement program on a day to day basis; formulate an
education program surrounding litter issues and the development of a
prevention and litter enforcement program for the parish.

D. LOCALITY OR AREA IN WHICH THE PROGRAM WILL BE CONDUCTED:

Our litter program will be conducted parishwide.

E. TIMELINE: (dates and activities to be completed)

St. Charles Parish plans to have the Litter Abatement Coordinator
hired by August 1, 2004; by Sept. 15th visits to the various
schools in the area will begin. During the months of October,
November and December all of the local civic organizations will be
contacted and informed about the program and solicited to participate
with the parish. The parishwide meetings will begin by January 15, 2005

F. ESTIMATED PROGRAM BUDGET, ITEMIZED BY LINE ITEM: (must include 25% in-kind or cash match.)

Litter Abatement Coordinator: See Attached Budget.
The Coordinator will be paid from the \$15,000.00 grant and a \$10,000.00
match from the parish.

2. PROJECT PARTNERS: (provide letters of commitment from project partners confirming participation. Describe effort to develop relationships and leverage resources from other organizations. Describe efforts and commitments to continue the program beyond the initial funding period.)

We expect to have the cooperation of the St. Charles Parish School
Board and the St. Charles Parish Sheriff Department and the St.
Charles Parish Beautification Committee. Several meetings
including a breakfast meeting with the Sheriff Department will be held.
We plan to continue this program beyond the first year with the
parish's financial assistance.

3. MEASURABILITY OF PROJECT RESULTS: (explain approach to tracking and reporting results. This should reflect only activities outlined in the individual proposal.)

The first phase of our program will concentrate on awareness of
litter laws and the effect litter has on the environment. The next
phase of our program will deal with the enforcement of those laws.
We hope to have the sheriff "prison detail crew" monitor changes.

4. ENVIRONMENTAL BENEFITS (demonstrate a definite benefit to the environment)

We expect that this educational program will result in an awareness on the part of our citizens of the importance of keeping trash off of our streets and roadways, resulting in a cleaner community. We believe that a cleaner community will translate into a better one.

5. THIS PROGRAM IS (1) NEW (2) AN EXPANSION OF ONGOING PROGRAM; OR (3) OTHER (EXPLAIN).

This will be a new program in St. Charles Parish.

ST. CHARLES PARISH		REQUESTED BY:		HENRY WOLFE	
ESTIMATED COST OF NEW POSITION		DEPARTMENT:		GRANTS	
LITTER ABATEMENT COORDINATOR		DATE:		3/15/04	
	TEMPORARY	FULL TIME		FULL TIME	
SALARY	\$25,000.00	\$25,000.00		\$25,000.00
