SUBJECT: Hazard Mitigation Plan Update Approvable Pending Adoption
St. Charles Parish – Single Jurisdiction Hazard Mitigation Plan Update 2019
HMGP

Dear Mr. Tastet:

I am pleased to inform you the St. Charles Parish Hazard Mitigation was reviewed by the Governor's Office of Homeland Security (GOHSEP) and the Federal Emergency Management Agency (FEMA). Per this review, the St. Charles Parish Hazard Mitigation Plan has been granted an Approvable Pending Adoption (APA) status. Before the St. Charles Parish plan can receive Final Approval from FEMA, **the jurisdiction** must formally adopt the plan by resolution.

After official adoption of the current version of the plan, an electronic copy (CD) of the plan in single digital format, must be submitted to GOHSEP within **30 days** of this letter. Funding for projects inside the St. Charles Parish is dependent on the Final Approval of this plan.

Thank you for your interest in mitigation and your prompt delivery of this plan. If you have any questions, please contact Marion Pearson @ 225.267.2522 or at marion.pearson@la.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeffrey Giering".

Jeffrey Giering
State Hazard Mitigation Officer (SHMO)
Disaster Recovery Division
