RE: LaBranche Salinity Barrier Project, PO-43a

Dear Earl:

Moffatt and Nichol reviewed the bids for the LaBranche Salinity Barrier Project, PO-43a. The engineers estimate was compared with the low bid (\$296,696) submitted by DQSI, LLC Louisiana Contractors License Number 47091. Attached is a table which shows the engineers estimate and the bid submitted by all bidders. You will note the second place bidder was only \$10,726 over the low bidder's submittal. The two lowest bids are within 4% of each. The total amount allocated for this project for construction including contingency is \$350,000.

Based on our review of the low bid we are recommending the project be awarded to DQSI, LLC.

Please call if you have any questions.

Sincerely,

MOFFATT & NICHOL
