Dear Planning and Zoning Department, Planning and Zoning Commission, Parish Council, Parish President Matt Jewell, and all other parish officials,

I *Michael Monteleone* *Victoria Monteleone* am in 100% agreement and support the following proposal by Helm Developments, LLC for the following address and plan:

Address: Lot J-2A of Plantation Business Campus Destrehan, LA 70047

1. The rezoning as submitted of Lot J-2A from current zoning of M-1 "light industrial" to R-1B "light to medium density residential" (residential)
2. The subdividing as submitted of Lot J-2A into 6 residential lots.

The rezoning and subdividing of this property will ensure the Audubon Place community quality of living standards and property values for the future. The current zoning of M-1 "light industrial" poses a high risk to our community (Audubon Place) including potential noise, air quality, and safety for residents and especially for children living in our adjacent community.

I, therefore support the Helm Developments, LLC plan and encourage the Planning and Zoning Department, Planning and Zoning Commission, Parish Council, Parish President Matt Jewell and all other parish officials to consider and accept the proposal for rezoning and subdividing of Lot J-2A per the Helm Developments, LLC submitted plan. Please take this endorsement into your consideration.

Thank you,

Michael Monteleone
