Re: **Engineer's Canal Pump Station Bar Screen Cleaners
Recommendation of Award**

Mr. Duffour,

Principal Engineering Inc. has reviewed the bid results for the above referenced project.

Sealevel Construction, Inc. of Thibodaux, LA (lic. #33678) was the low bidder with a base bid of \$1,432,981.00.

The bid prices appear balanced when compared with other bidders, the bid documents are regular, bonded by an approved surety, and the bid is judged responsive. We recommend award of the project to **Sealevel Construction, Inc.**, with a total bid price of **\$1,432,981.00.**

A tabulation of all bids is attached for informational purposes. If you have any questions, please do not hesitate to contact our office.

Sincerely,
Principal Engineering, Inc.

Andre C. Monnot, P.E.
Vice President
