

CONTRACT MONITORING

Council Presentation

11/17/2025

Justin Tassin

AGENDA

- River Birch Renewable Energy / Solid Waste Disposal
- Road Lighting
- VDCI / Mosquito Control
- Emergency Storm Debris Removal and Disposal

River Birch Renewable Energy

- Service approximately 37,000 carts per week
- Less than 1% verifiable complaint ratio in the past 11 months
- Improved upon newly created tracking methods & response times with RBRE
- Internal audit on accounts
 - Over \$10,000 per year gained

TRASH BASH / HOUSEHOLD HAZARDOUS WASTE 2025

Trash Bash 2025:

- 782 Volunteers collected over 450 bags of trash
- Covering over 215 miles of roadway (collectively)

HHW 2025:

- 340 vehicles dropped off a total of 56,758 lbs. of Hazardous Materials
- Of the 28 tons of Hazardous Materials collected 56.9% was recycled
- 18 area manufacturers sponsored the event, along with St. Charles and St. John Parish coordinating funding and volunteers

Road Lighting

- **Completed Parish Wide Streetlight Audit**
 - Over 500 streetlights repaired so far in 2025
- **Prepared multiple future projects & continued to work on existing projects diligently in 2025**
- **Sustained new tracking system for lighting that is currently saving an average of \$1,000 per month in warranty work**
- **Sustained 2024 reporting method for Entergy owned streetlights**

VDCI / MOSQUITO CONTROL

As of 11/17/2025

- **Over 9,300 miles and 380,000 acres sprayed**
- **157 service calls completed**
- **Over 22,000 acres aerial sprayed**
- **Contract requirements are being met**

Emergency Storm Debris Removal and Disposal

- **5 Emergency Debris Sites identified and certified in preparation if needed**
- **Communicate as needed to remain ready**
- **Attended a FEMA/GOHSEP class in Tangipahoa Parish to become more familiar with all things regarding how we react to Emergency Debris Removal**
