

MEETING OF THE INTERIM CZAC JULY 10, 2025

MINUTES—ORDINANCE 01

00:46 [Committee Member Keen] At this time we will be having a... the one thing I see on the agenda at this time is an ordinance to amend, excuse me, chapter 26-2 and 26-4. Is that the right ones?

[Staff Member Stein] Yes those are the ones.

[Committee Member Keen] Of the St. Charles Parish Code of Ordinances to update the composition of the Coastal Zone Advisory Committee.

01:10 [Staff Member Stein] Thanks Mr. Chair. Thanks again to the Planning Commission for taking on this role as the interim Coastal Zone Advisory Committee. We really appreciate your work. The ordinance that's before you is designed to eliminate some problems that we have with Chapter 26. The Coastal Zone Advisory Committee is currently described in several different ways. The amendments before you clean that up.

and give us an opportunity to re-seat the board with staggered terms which is going to create a system for the board to be long lived and not kind of cease operating again. So we request your support on that ordinance.

02:01 [Committee Member Keen] This will open public hearing for the ordinance as aforementioned. Is anyone here to speak for or against? Please come forward, state your name and address.

02:15 [Councilman Pilie] Walter Pilie 115 Ducayet Drive in Destrehan and seeing as my name's on here, there's one person who's sponsoring this, I'm sure in favor of it, so I'd appreciate you guys. Please support this. It's a good piece of legislation. Thank you very much.

02:34 [Committee Member Keen] Thank you. And does anyone else wish to come forward this time to speak for or against this motion?

02:44 [Committee Member Keen] Having seen none, this time we'll close the public hearing for that and do we have a motion to approve?

[Committee Member Price] Motion.

[Committee Member Keen] and a second?

[Committee Member Frangella] Second.
