INTRODUCED BY: V.J. ST. PIERRE, JR., PARISH PRESIDENT  
(DEPARTMENT OF PUBLIC WORKS)

ORDINANCE NO. 10-8-2

An ordinance to approve and authorize the execution of a Construction Contract with Frickey Brothers Construction, Inc. for Project No. P090803, St Charles Parish Public Works and Wastewater Office Relocation Project in the amount of \$505,862.00.

**WHEREAS**, sealed bids were received by St. Charles Parish on July 15, 2010 for Project No. P090803, St Charles Parish Public Works and Wastewater Office Relocation Project; and,

**WHEREAS**, Campo Designs - Architects, the Architect for the Project, has reviewed the bids and recommend that the Contract be awarded to the low bidder, Frickey Brothers Construction, Inc., in the amount of \$505,862.00; and,

**WHEREAS**, the existing Public Works Office and West bank Yard are located on Water Works property at the Luling Water Works Treatment Plant. The Water Works Department is increasing the size of the plant and requires both office space and land to install another treatment storage tank. This plan requires the relocation of the Public Works Office and West Bank Yard to another location. The Public Works Office relocation to the vacated Destrehan Library location will make the office space available to the Water Works Department for its expansion requirements.

#### ARTICLE 3. CONTRACT TIME

- 3.1 The Contractor shall complete all of the Work under the Contract within 120 calendar days from the date of the Notice to Proceed.
- 3.2 Liquidated Damages - OWNER and CONTRACTOR recognize that the OWNER will suffer direct financial loss if Work is not completed within the Contract times specified in Paragraph 3.1 above plus any extensions thereof allowed in accordance with Article 12 of the General Conditions, and therefore, time is of the essence. They also recognize the delays, expense and difficulties involved in proving in a legal proceeding the actual loss suffered by OWNER if the Work is not completed on time. Accordingly, instead of requiring any such proof, CONTRACTOR and Surety agree to forfeit and pay OWNER as liquidated damages for delay (but not as a penalty) the amount of \$ 500. for each calendar day that expires after the Contract Time specified in Paragraph 3.1 for final completion and ready for final acceptance until the Work is completed. These amounts represent a reasonable estimate of OWNER's expenses for extended delays and for inspection, engineering services and administrative costs associated with such delay. This provision shall be effective

between the parties ipso facto and without demand or putting in default, it being specifically agreed that the CONTRACTOR by his mere failure to complete the work on or before the date specified shall be deemed in default

#### ARTICLE 4. CONTRACT PRICE

**CONTRACT PRICE:** The amount to be paid to the Contractor by the Owner for completion of all work hereunder is: (\$505,862.) Five Hundred Five Thousand Eight Hundred Sixty-two Dollars based on unit prices specified within this contract document. OWNER shall make progress payments which exceed \$5,000 on account of the Contract price on the basis of CONTRACTOR's Applications for Payment, as recommended by the ARCHITECT, on or about the thirtieth (30th) day following receipt by the OWNER. Applications for Payments less than \$5,000 shall be accumulated until the next payment period or until final payment.

Progress payments will be based upon estimated quantities of completed contract unit price items or upon estimated percentages of completion of the schedule of lump sum values of labor and materials incorporated into the Work on the last day of each month or other mutually agreed regular monthly date ending the progress payment period.

- 5.2 Retainage. Retainage shall be withheld and payments will be made by the OWNER in the payment amount of: 1) ninety percent (90%) of the approved payment applications for projects with contract prices of less than \$500,000; or 2) ninety-five percent (95%) of the approved payment applications for the projects with contract prices of \$500,000 or greater.

- 5.3 Final Acceptance and Final Payment. Upon the final completion of all Work, the CONTRACTOR may request a final inspection and may make a final Application for Payment as provided by Paragraph 14.12 of the General Conditions, upon the OWNER's certificate of final acceptance.

Final acceptance of the Work, based upon the certificate of final acceptance, shall be by resolution of the Council of the Parish of St. Charles.

When substantial completion is granted by the Owner, the Certificate of Substantial Completion is then transmitted to the Contractor for filing with the recorder of mortgages of the Parish of St. Charles. This begins the not less than forty-five (45) day lien period as prescribed for Public Works by Louisiana Revised Statutes 38:2242.

At the expiration of the lien period it is the CONTRACTOR's responsibility to obtain a certificate from the Recorder of Mortgages of the Parish of St. Charles that the Contract is clear of any liens or privileges, and said certificate shall be presented to the OWNER for final payment and release of retainage, less any such sums as may be lawfully withheld under the Contract.
