

Mr. Gibbs: Next item on the agenda is PZO-2014-19 requested Paul J. Hogan, PE, Councilman, District IV for an ordinance to amend the Code of Ordinances Appendix A, Section XIV. Amendments and Petitions and Appendix A, Section XV. Amendment Procedure to modify the reporting and recommendation requirements. Mr. Hogan.

Mr. Hogan: I would like to thank you for your consideration of the revised version on the previous ordinance. This one here is the reporting requirements. This went in front of the Council and the Legal Department brought up some concerns with some technical issues on the reporting part. So once again I went back and modified to put in the exact wording or the same type of wording that was in place when the ordinance was originally put in place prior to be changed to what it currently is right now so that it's able to address the concerns of the Legal Department. Any questions I would be happy to answer.

Mr. Gibbs: Thank you Mr. Hogan. This is a public hearing for PZO-2104-19 is there anyone in the audience that care to speak in favor or against? Seeing none. No questions or concerns? Mr. Booth.

Mr. Booth: This is a continuance of an ordinance that we've consistently voted against and the Council has consistently voted against and I think it's unenforceable under the state laws that were mentioned by the Parish Attorney when I appeared before the Council last time it was defeated.

Mr. Gibbs: Thank you Mr. Booth. Any other questions, concerns? Seeing none, cast your vote please.

YEAS: None

NAYS: Pierre, Loupe, Gibbs, Booth, Frangella, Galliano

ABSENT: Foster

Mr. Gibbs: That fails unanimously.
