Bob Fisher, Councilman District VI
PO Box 302
Hahnville, Louisiana 70057

Dear Mr. Fisher:

This is in response to your correspondence regarding the proposed change of ZIP Code for residents of Montz Louisiana 70068 to Norco, Louisiana 70079, and subsequent denial by the Louisiana District.

By copy of this letter, the Southern Area office will review this decision and determine if any reasonable means of full or partial accommodation can be identified. The Postal Service will review your request and follow the procedures outlined for realignment of ZIP Code boundaries, including evaluation of its existing facilities in the area, from the standpoint of their ability to absorb any operational changes necessary to accommodate your request and surveying all the affected parties, if required.

I appreciate your patience in working through this process. While I cannot guarantee the outcome, I assure you that every reasonable means of accommodation will be considered. You can expect a determination in approximately 60 days.

Sincerely,
