PETITION

We, the undersigned people of the Monsanto Subdivision in Luling, Louisiana wish to petition the St. Charles council to move this subdivision back into Ward II of St. Charles Parish. This community was removed from Ward II and placed in Ward VII in 1992 because of gerrymandering practices.

We petition the St. Charles Council to Grant this request because of the economic similarities of the related communities. This community is also within the Ward II drainage area and is in the future plans of its development. We feel that Monsanto subdivision has become an isolated part of our community. We ask to be restored to an integral part of the community of which we have historically been a part.
