RE: Field review of property located at the intersection of Old Spanish Trail and
Levee Road in Des Allemands, St. Charles Parish

Dear Mr. Villaseñor,

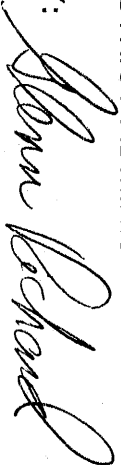

As requested by you a review was conducted at the above referenced location. So long as your project does not affect any part of the highway right of way, a permit is not required by LA DOTD.

Please note that this correspondence does not waive your responsibility to obtain a permit if you decide in the future to change your plans.

If you have any questions, please contact me at 504-437-3130.

Yours truly,

THOMAS L. PAYMENT
