**INTRODUCED BY: MATTHEW JEWELL, PARISH PRESIDENT  
(DEPARTMENT OF WATERWORKS)**

**RESOLUTION NO. 6805**

A resolution affirming and implementing the findings  
and conclusions of the Department of Waterworks  
2024 Water Rate Study.

**WHEREAS,** the Department of Waterworks authorized All South Consulting Engineers, LLC, to prepare a water rate study to determine the ability of the existing water user fees to meet the financial obligations of the Department of Waterworks; and,

**WHEREAS,** the Department means to review the financial operating history of the Department to estimate the future revenues and expenses of the water system and determine that the existing rate structure will provide for future capital improvements, operation and maintenance costs, and meet existing bond requirements; and,

**WHEREAS,** the Department is presenting the findings of the Water Rate Study so that the Parish Council may affirm the study's findings; and,

**WHEREAS,** the 2024 Water Rate Study confirms that the existing water user fees generate the necessary revenue to provide for typical operations and maintenance, and future capital improvements.

**NOW, THEREFORE, BE IT RESOLVED, THAT WE, THE MEMBERS OF THE ST. CHARLES PARISH COUNCIL,** does hereby affirm and implement the findings and conclusions of the 2024 Water Rate Study.

The foregoing resolution having been submitted to a vote; the vote thereon was as follows:
