Re: Support for Zoning Change on Hwy 635

Date: October 27, 2009

This letter is in support of re-zoning Sara Simms' property on Hwy 635 between Des Allemands and Paradis from M-1 to residential. I believe that re-zoning the property as requested by Sara Simms, would foster new growth in this area. I purchased a lot and built a home at 120 Hwy 635 approximately two years ago and find the location convenient, accessible, and beautiful. While I understand that others have indicated that the land would be better served as M-1, I believe more people may be interested in the purchase of the property if the entire track was zoned residential. Should you have questions of me, please do not hesitate to contact me. My contact information is as follows: by phone at 985-758-8659 home or 504-462-1000 cell or in writing at P O Box 863, Des Allemands, LA 70030.

Sincerely,

A handwritten signature in black ink that reads "Terry L. Matherne". The signature is written in a cursive style with a large initial 'T' and 'M'.
