Danielle,

Your company has been identified as the apparent low bidder for the above referenced project. As such, please submit all documentation that is required within 10 calendar days after the bid opening in accordance with LA R.S. 38:2212 (quoted in part below).

“(3)(a) The bidding documents shall not require any bidder, other than the apparent low bidder, to furnish any other information or documentation, including the Attestation Affidavit and the E-Verification Form, any sooner than ten days after the date bids are opened; however, the apparent low bidder may submit such information or documentation at any time prior to the expiration of the ten-day period. If the apparent low bidder does not submit the proper information or documentation as required by the bidding documents within the ten-day period, such bidder shall be declared non-responsive, and the public entity may award the bid to the next lowest bidder, and afford the next lowest bidder not less than ten days from the date the apparent low bidder is declared non-responsive, to submit the proper information and documentation as required by the bidding documents, and may continue such process until the public entity either determines the low bidder or rejects all bids. The ten-day period shall not be altered or waived by any public entity except the governing authority of any publicly owned commercial aviation airport, the Sewerage and Water Board of New Orleans, the Regional Transit Authority, and all agencies of the City of New Orleans, including but not limited to the New Orleans Aviation Board, who shall require that the other documentation and information referred to in this Subparagraph be furnished by the two apparent low bidders no sooner than three days after the bid opening. The two apparent low bidders may submit such information or documentation at any time prior to the expiration of the three day period. If the two apparent low bidders do not submit the proper information or documentation as required by the bidding documents within the three day period, such bidders shall be declared non-responsive, and from that date, award may be made to the next lowest bidder, and afford that bidder not less than three days to submit the required information or documentation, and the process may continue until either a low bidder is determined or all bids are rejected.”

When submitting the required documents, please submit 7 originals of each (1 copy to remain unbound and 6 copies to be bound in separate contract books).

Should you have any questions, please feel free to contact me. We look forward to working with your company on this important Parish project.

Alternate—a specified item of construction that is set apart by a separate sum. An alternate may or may not be incorporated into the contract sum at the discretion of the owner at the time of contract award.

Base Bid—the amount of money stated in the bid as the sum for which the bidder offers to perform the work described in the bidding documents, prior to the adjustments for alternate bids but including any unit prices.

Bidding Documents—documents usually including advertisement, bid notice or invitation to bidders, instructions to bidders, bid form, form of contract, forms of bonds, conditions of contract, drawings, specifications addenda, special provisions, and all other written instruments prepared by or on behalf of a public entity for use by prospective bidders on a public contract.

Owner—the public entity issuing the bid.

Public Entity—means and includes the state of Louisiana, or any agency, board, commission, department, or public corporation of the state, created by the constitution or statute or pursuant thereto, or any political subdivision of the state, including but not limited to any political subdivision as defined in Article VI Section 44 of the Constitution of Louisiana, and any public housing authority, public school board, or any public officer whether or not an officer of a public corporation or political subdivision. §309. Definitions

A. For the purposes of the Louisiana Uniform Public Works bid form the following terms shall have the stated meanings.

Alternate—a specified item of construction that is set apart by a separate sum. An alternate may or may not be incorporated into the contract sum at the discretion of the owner at the time of contract award.

Base Bid—the amount of money stated in the bid as the sum for which the bidder offers to perform the work described in the bidding documents, prior to the adjustments for alternate bids but including any unit prices.

Bid—a complete signed proposal to perform work or a designated portion for a stipulated sum. A bid is submitted in accordance with the bidding documents, is evaluated on price alone and is not subject to qualification.

Bidder—an entity or person who submits a bid for a prime contract with the owner. A bidder is not a contractor on a specific project until a contract is signed between the bidder and the owner.

Bid Form—a form provided to the bidder on which to submit his bid.

Bid Security—a bid bond or deposit submitted with a bid to guarantee to the owner that the bidder, if awarded the contract, will execute the contract within a specified period of time and will furnish any bonds or other requirements of the bidding documents.

Bidding Documents—documents usually including advertisement, bid notice or invitation to bidders, instructions to bidders, bid form, form of contract, forms of bonds, conditions of contract, drawings, specifications addenda, special provisions, and all other written instruments prepared by or on behalf of a public entity for use by prospective bidders on a public contract.

Owner—the public entity issuing the bid.

Public Entity—means and includes the state of Louisiana, or any agency, board, commission, department, or public corporation of the state, created by the constitution or statute or pursuant thereto, or any political subdivision of the state, including but not limited to any political subdivision as defined in Article VI Section 44 of the Constitution of Louisiana, and any public housing authority, public school board, or any public officer whether or not an officer of a public corporation or political subdivision. "Public entity" shall not include a public body or officer where the particular transaction of the public body or officer is governed by the provisions of the model procurement code.

Public Work—the erection, construction, alteration, improvement, or repair of any public facility or immovable property owned, used, or leased by a public entity.

Unit Price—the amount stated in a project bid representing the price per unit of materials and/or services.

AUTHORITY NOTE: Promulgated in accordance with R.S. 38:2212.

HISTORICAL NOTE: Promulgated by the Office of the Governor, Division of Administration, Office of Facility Planning and Control, LR 35:1521 (August 2009).

AUTHORITY NOTE: Promulgated in accordance with R.S. 38:2212.

Owner—the public entity issuing the bid.

Public Entity—means and includes the state of Louisiana, or any agency, board, commission, department, or public corporation of the state, created by the constitution or statute or pursuant thereto, or any political subdivision of the state, including but not limited to any political subdivision as defined in Article VI Section 44 of the Constitution of Louisiana, and any public housing authority, public school board, or any public officer whether or not an officer of a public corporation or political subdivision.
