To Whom It May Concern:

It has been my joy and privilege to serve St. Charles Parish on the South Central Louisiana Human Services District. I appreciate the opportunity and have enjoyed my tenure as we have sought to improve mental health issues affecting our state and our region.

Due to my recent move to Greenville, South Carolina, I must tender my resignation effective July 31, 2008. My husband and I are extremely proud to have lived in St. Charles Parish and we enjoyed the eight years we were involved in the community.

If I can be of any further assistance to you or if you need any references for a potential replacement, please do not hesitate to ask.

Thank you for all you are doing for St. Charles Parish.

Respectfully submitted,

Tabatha Overstreet Hallman
