

St. Charles Parish Department of Planning & Zoning

Land Use Report

Case Number: 2021-3-ORD

Introduced by Matthew Jewell, Parish President

To amend the St. Charles Parish Subdivision Regulations to add a standard for roadside drainage facilities.

Background

The Department of Public Works/Wastewater requested an amendment to the Subdivision Regulations to modernize the testing standards for sewer infrastructure installed by developers.

Potential outcomes

The proposed standards will clarify the testing process and minimum standards for sewer infrastructure. The Parish Council will be assured that new sewer infrastructure meets the Parish's standards.

Recommendation

Approval
