Re: Request for Third Party Report on Hospital

Dear Chairman Landry,

By this letter and by the request of Councilman Hogan and Councilwoman Schexnaydre, it is requested that the Board secure the services of an independent third party, to be chosen by the Hospital Board Ex-Officio, to provide to the St. Charles Parish Council, an independent comprehensive report regarding the overall condition of the St. Charles Parish Hospital. The report should include but not be limited to the hospital's performance, image, solvency, debt, income, management, board oversight, short and long-term viability, proposed affiliation with a larger hospital and the pros and cons to such an affiliation, and any other relevant parameters needed to completely document the current standing of the hospital, its standing if the proposed affiliation were to occur or not occur, the hospital's outlook for the future, and proposed suggestion relative to its findings.

Sincerely,

JULIA FISHER-PERRIER
