Re: Final acceptance
Concrete Maintenance 2023-24
Parish Project No. P230803

Dear Mr. Pollock,

This letter serves as formal notification that the Concrete Maintenance 2023-24 project, performed under Contract No. P230803, has been determined to have reached Final Acceptance as of March 3, 2025.

This determination is based on the satisfactory completion of the work in accordance with the contract documents, including the resolution of all punch list items. Only minor deficiencies previously noted during the substantial completion inspection have been addressed, and no outstanding work remains that would impair the project's intended function or use.

Per the terms of the contract, the project is now considered complete in full. The warranty period for all work performed under this contract commenced on the date of Substantial Completion, February 26, 2025, in accordance with the specifications.
Sincerely,

A handwritten signature in cursive script that reads 'Tony San Martin'.
