Mr. Dick Gibbs  
Chairman  
St. Charles Parish Council  
Post Office Box 302  
Hahnville, LA 70057

Dear Councilman Gibbs,

I have been honored to serve as a member of the Board of Commissioners of St. Charles Parish Hospital since January 3, 1983. Over the past thirty five years I have had the privilege to work with some of the most dedicated board members, administrators, doctors, nurses, technicians, office staff, EMT's, paramedics, kitchen staff, housekeeping staff, all persons truly dedicated to doing the best job they can for the people of St. Charles Parish. I am so proud to have been a part of the tremendous growth of the Hospital and expansion of its services to provide quality health care in our Parish.

I have always given one hundred percent to my duties as a Board Member to attend meetings and participate in hospital events; however recent health issues have prevented me from continuing to serve at that level. As much as I have enjoyed this public service, I know my time on the Board has come to an end and I must allow someone else to assume this position to continue the good works of the Hospital.

Therefore, due to health reasons, I hereby resign as a member of the Board of Commissioners of Hospital Service District No. 1 of the Parish of St. Charles effective May 7, 2018.

I want to thank all of the Parish President's and Parish Council members that have supported St. Charles Parish Hospital and allowed me to serve our parish for the past thirty five years as a Board member. I have truly enjoyed working with each of you to make St. Charles Parish Hospital a facility that we can all be proud to call "our hospital".

Sincerely,

Betty Portera
