Dear Mr. Cochran:

I am happy to inform you that I have approved the FY 2015-2016 Community Water Enrichment Fund (CWEF) program application for the St. Charles Parish Government in an amount up to \$122,074.00. These funds will be used to make water main upgrades along LA Hwy. 18 from Courthouse Lane to Lowe Street.

The St. Charles Parish Government will be authorized to expend funds when the contract has been countersigned by our office. An electronic copy of the grant contract will be emailed to your office. The contract will be dated by this office once fully executed.

Congratulations, and I wish you every success in implementing your project. If you have any questions relative to the CWEF requirements, please do not hesitate to call my office or the Office of Community Development at (225) 342-7412.

Sincerely,
