Subject: Planning and Zoning Board Status

Greetings,

Although I was excited and eager to become more involved in St Charles Parish by serving as a member of the Planning and Zoning Commission, I regretfully need to step down from my recent promotion.

Effective 2/2/26, I will begin permanently working out of state. Although I may be in town on weekends, I will not be able to commit time or efforts to support P&Z. Expected is that my family and I will be moving out of Louisiana around April 2026.

Sincerely,
Ed Griffin
