RE: PZHO-2007-17 - 213 Lorraine St.  
PZHO-2007-18 - 114 Lorraine St.

We are writing regarding the (2) cases above-named for "a home occupation" hearing on September 6, 2007.

Although we are not adjacent property owners to the above, we are on Pelican Street, one street over from these 2 properties and behind the 114 Lorraine St. We firmly are in opposition to any businesses in the neighborhood which will bring in more traffic in the form of customers and delivery vehicles. Our streets are very narrow and sometimes can only accommodate one vehicle at a time passing each other. Our streets are substandard by any means.

Since we are unable to attend the September 6<sup>th</sup> hearing, we would appreciate this opposition to be made a part of the record. Thank you.

Sincerely,

*Raoul & Carolyn Laurent*
