Hi Billy,

I hope you're doing well.

The agreement for the Montz Master Drainage Pump Implementation (P080802) which is tied to Ordinance 19-6-4 and set to expire on June 6, 2023 does not need to be extended. The agreement was replaced with a 2021 Professional Services Agreement (P210404) and subsequent amendments. Work previously accomplished under the prior contract is now tasked under the current 2021 agreement.

Should you require any additional information, do not hesitate to reach out to me.

Take care,

Mona

Good evening, Mona. I see SCP have an agreement for Montz Master Drainage Pump Implementation (P080802), which is tied to Ordinance 19-6-4. This agreement is set to expire on June 6, 2023. Is there any work being done under this agreement or a need for it to be extended beyond June 6th?

Thanks,
Billy Raymond
