

AMENDMENT NO. 1  
to  
AGREEMENT BY AND BETWEEN

ST CHARLES PARISH  
AND  
EES, ENVIRONMENTAL ENGINEERING SERVICES, INC

BE IT KNOWN that on this 4<sup>th</sup> day of August, 2017 St. Charles Parish and EES, Environmental Engineering Services, Inc. of LaPlace have agreed to amend their Contract for Engineering Services for the S150301, St. Rose Sewer and Lift Station Upgrades, dated May 3, 2017 and approved by Ordinance Number 17-5-3 as follows:

**Section 2.1.2 (Currently)**

Project is to use and update plans created under the Lake Ponchartrain Basin Restoration FY14 year 13 (S150301) project and to include a force main along Almedia Rd (Hwy 50) to alleviate wastewater overflows. This project will then be bid and constructed. Funds from the State Revolving Loan Fund program will be used for this project.

**Section 2.1.2 (Revised)**

Project is to use and update plans created under the Lake Ponchartrain Basin Restoration FY14 year 13 (S150301) project and to include, but not limited to, the following items:

- Installation of a force main along Almedia Rd (Hwy 50)
- Installation of improvements to the Riverview Lift Station
- Installation of improvements to the Charlestown Lift Station

All work is done to alleviate wastewater overflows and backups to the wastewater system. This project will then be bid and constructed. Funds from the State Revolving Loan Fund program will be used for this project.

Said amendment shall be effective immediately upon approval by the St. Charles Parish Council and signature by legal representatives of both parties.
