The image is a screenshot of a web browser displaying a Facebook Reel. The browser's address bar shows the URL <https://www.facebook.com/reel/10157448851443297>. The browser tabs include Facebook, New Mexico's Nuclear Town H..., Personal Weather Station Dash..., and Online Converter - Convert Im... The browser's bookmark bar shows various sites like Getting Started, From Google Chrome, QuickTime Player for..., Nikon Transfer 2 Help, Amazon.com: Easy CD..., and Getting Started. The Facebook Reel interface is visible, showing a video of a dark SUV driving through a flooded street. The water is splashing around the car. The video player has a play button, volume icon, and a 'Create reel' button. Below the video, there are icons for likes (2), comments (13), and shares. The caption for the reel reads: "Stop Our Flooding!!! Reels · Roxanne Pfister Fisher · Jul 5 · 🌧️ Current situation on Murray Hill. Rain gauge at 2-1/2".
